

How it works

STEP 1: You tell us a few things about yourself

You are now ready to prepare your 2021 Tax form

Georgia 2021 Tax Form progress bar:

Tell us about your 2021 income - you can choose more than one box

(scroll down & click 'Next' to proceed)

 I EARN DIVIDENDS	 I HAVE REDEEMED MY LIFE INSURANCE	 I'M SELF EMPLOYED	

How it works

STEP 1 (cont.): We show the documents you'll need to prepare your tax form

How it works

STEP 2: We ask for your personal details (data protection is our highest priority)

TIC stands for 'Tax Identification Code'. Your personal TIC starts with the number '0' and it's made up of 8 digits and a Latin CAPITAL letter at the end (example: 01234567A). Check your 'Form TD63 - Emoluments Certificate for the year', payslip, or any other document / letter from the Cyprus Tax Office.

How it works

STEP 3: We then ask targeted, simple questions

Georgia 2021 Tax Form progress bar:

Let's determine your 'tax residence'

Have you stayed in Cyprus for more than 183 days during 2021 ?

Are you domiciled in Cyprus ?

Are you insured for Social Insurance and General Healthcare Services in any other European Economic Area (EEA) country, or Switzerland, or hold an S1 / A1 / any other certificate of that country ?

Have you made contributions to an equivalent healthcare system of any other country in 2021 ?

Your country of tax residence is usually the country in which you live and work, or the country that you spend most of your days as a resident. Each country has its own rules and definitions of 'tax residence', so the answer is not always clear. The next questions will tell us if you are a Cyprus tax resident or not. [Get in touch](#) if you need any help!
